

Publication Authorization and Copyright Transfer (PACT) form

To: *Orissa Physical Society*

From: Author or Corresponding Author with institutional/ corresponding address including e-mail. (on behalf of and binding upon, all the authors).

Journal: *Orissa Journal of Physics*

Title of the manuscript:

Date of submission of manuscript:

In respect of the work mentioned above, I / we undertake to ensure that:

- 1) The submission of a paper by a set of authors represents the results of their original research not previously published; that it is not under consideration for publication elsewhere; and that if accepted for the journal, it will not be published elsewhere.
- 2) The list of authors includes all those who have contributed substantially to the work described, as understood by convention and established good practice.
- 3) All claimed new results express the findings of the named authors.
- 4) All material taken or quoted from the existing literature has been properly acknowledged, and complete references have been given.
- 5) In case of acceptance of publication, this work will not in any manner infringe the copyright of any person or other published work.
- 6) Copyright to the above-mentioned work, including title, abstract, complete text, tables, graphs, figures and any errata later, is hereby transferred to the *Orissa Physical Society*, in case it is accepted for publication, for both online and print versions.

It is further noted that, consistent with the copyright transfer, item (5) above, the author(s) may use this work after publication by the *Orissa Physical Society*, in whole or in part, in any or all of the following ways without seeking permission from the *Orissa Physical Society* provided that reference to the original publication in the *Orissa Journal of Physics* is always made:

- a) Reprinting in a book or reprint collection of the author for non-commercial purposes.
- b) Inclusion in a thesis or dissertation for a research degree of any institution.
- c) Presentations in Conferences, Colloquia, Seminars.
- d) Classroom use as part of course material, including distribution of photocopies.
- e) Inclusion of the published work with no changes on the author's personal website or institutional archives/ repositories.
- f) Distribution of photocopies/ PDF files online to colleagues for academic purposes.
